## **COUNT ON ME PTE LTD**

At Count On Me, our mission is to revolutionize the way businesses interact with their customers by leveraging cutting-edge cloud-based technologies to provide seamless, paperless services. By harnessing the power of modern technology, we eliminate unnecessary delays and dedicate more time to delivering value-added services that cater to our clients' unique needs.

Our commitment to innovation enables all stakeholders to access information electronically from anywhere in the world, reducing the risk of errors and ensuring greater transparency. Each client is assigned a dedicated "mini CFO" who oversees all aspects of company management, from incorporation to daily accounting, payroll, taxation, and deadline management.

**Our comprehensive suite of services can be categorized into four key areas:**

### **1. Secretariat Services:**

- Company incorporation
- Corporate Management Consulting
- Work Visas
- Opening Current Accounts

### **2. Accounting Outsourcing:**

- Management and preparation of monthly reporting
- Management and preparation of annual and quarterly deadlines
- Payroll management

### **3. Tax Planning:**

- Tax planning
- Tax returns for legal entities
- Quarterly VAT Equivalent Management

### **4. Digitalization and CFO Consulting:**

- Based process and system configuration
- Interim CFO
- Budget preparation, reporting, and/or process automation

By consolidating our services under these four pillars, we empower businesses to streamline their operations, optimize their financial performance, and achieve their goals with greater ease and efficiency.

## **KORPORATIO SING PTE LTD**

Korporatio provides consulting services for SMEs in a simple and effective way.

From company incorporation to accounting, from contract creation to visa application. Korporatio helps entrepreneurs in all steps of their business activity.

Each client is paired with a dedicated consultant, a sort of administrative butler with the only goal of saving the business owner as much time as possible.

The services are fully digital and automated. This ensures even the most boring tasks, such as preparing forms, signing board resolutions or remembering important deadlines, can be executed in minutes.

Korporatio operates with a level of cyber security similar to top tech companies. In fact, all files and private information are stored into dedicated servers.

The company has a strong international presence and experience. It currently operates in *Singapore, Seychelles, Panama, British Virgin Islands, Belize, Wyoming (US) and Saint Vincent & Grenadines.*

Korporatio offers multiple services, but, the most popular are the following:

<b>Administration and Secretary</b>	<b>Accounting and Financial Consulting</b>	<b>Legal reviews and opinions</b>
incorporation of company, foundation and trust	Preparation of books and financial statement	Application for licences and other permissions
Registered address, virtual address and P.O. Boxes	Submission of tax reports and tax returns	Review of legal contracts
Application of work visa and work pass	Maintenance of GST	Legal consultations
Company secretary and local director	Preparation of books via XBRL model	Help with credit collection
Open corporate bank account	Payroll execution and submission of CPF	Introduction to third parties providers
